

POLICE-COMMUNITY PARTNERSHIPS

National Night Out 2021

National Night Out is a nationwide event sponsored by the National Association of Town Watch (NATW). Registration is free and is now open. National Night Out will take place **Tuesday, October 6, 2021**. Most events start around 6:00 PM and are scheduled to last until 10:00 PM.

Registration is required if your community is planning on hosting its own events or activities. From gatherings to block-parties to snacks and visits by police officers, neighbors are encouraged to come outside and meet one another and learn about happenings in their neighborhood. This is a great opportunity to exchange information that can heighten crime and drug prevention awareness while letting criminals know that neighborhoods are organized and fighting back.

National Night Out, an annual community-building campaign, promotes partnerships between citizens and police and encourages the creation and participation in neighborhood watch groups. Police Departments in the state of Texas supports and participate in this event by sending police officers to neighborhood events held throughout the city.

On-line registration is now open at <https://natw.org/registration>. All registered events will be able to use the National Night Out logo on promotional flyers and early registration is encouraged. All information will be sent to those who have registered as it is released. Get registered today and give yourself plenty of time to plan a successful event!
